[redacted] delivered memorandum to Mr. Aaron Tollin, Department of COMMERCE, evaluating CIA intelligence on the Societa Permolita case (see O/RR Diary for 15, 22 March and 4, 9, 10, 24 May - "EXPORT OF PETROLEUM REFINING EQUIPMENT - ITALY"). Since a supplemental report [redacted] had considerably revised the first report [redacted] it was considered that the evidence relative to this case was not a sufficient basis for urging continuance of deferral; hence, no further objection was offered to action being taken by the R Procedure Subcommittee. Mr. Tollin was advised, however, that CIA ABSTAINS FROM TAKING ANY POSITION on the Permolita case. (1 hr) (28 May)
